2025/26 OTH Regensburg, Germany
2026/27 Cámarabilbao, Spain
2027/28 International internships

Education

Cámarabilbao University Business School — Sep 2026 – Jun 2027
Business Management and Marketing, double-degree year, Erasmus+ scholarship — Bilbao, Spain

- Coursework in Digital Marketing, Strategic Marketing and Consumer Behaviour, taught in English and Spanish
- Team project: iPhone 18 Pro marketing plan (€180,000 budget), responsible for the market analysis
- Team project: start-up concept for campus food bowls with vending machines and subscriptions

OTH Regensburg (Technical University of Applied Sciences) — Sep 2025 – 2029 (exp.)
B.A. International Business Management, double degree with Cámarabilbao — Regensburg, Germany

- GPA 1.6 after the first year (German scale, 1.0 = best)
- Selected courses: Accounting, Financial Reporting and Taxation, Business Mathematics, Economics
- Four-year programme with a year abroad and two semesters of international internships

Goethe-Gymnasium Regensburg — 2024
Abitur (German university entrance qualification), grade 1.5 — Regensburg, Germany

Experience

NexTime — Oct 2025 – Aug 2026
Temporary staff, various assignments (part-time) — Regensburg, Germany

- Around 40 assignments in hospitality and facility services on monthly contracts, alongside full-time studies

Kindertagesstätte Burgweinting (daycare centre) — Sep 2024 – May 2025
Voluntary Social Year (FSJ), full-time — Regensburg, Germany

- Nine months in Germany's government-recognised voluntary service year: daily group work with 23 children aged 3 to 6, supporting the educators

Decathlon — Jun 2024 – Jul 2024
Sales assistant (part-time) — Regensburg, Germany

- Customer advice and shop-floor operations in a sports retail store

Projects

Inditex DCF valuation — Autumn 2026
Interactive web app built with Claude Code · inditex.moritz-sturm.com — Individual project

- Built the model from the published annual reports of Inditex, with every figure sourced to document and page
- Modelled the free cash flow forecast, cost of capital (WACC), terminal value and equity value per share
- Cross-checked the fair value with scenarios, a sensitivity table and peer multiples
